

ATTENTION UT HEALTH SCIENCE CENTER STUDENTS

Call for Proposals: Community Service Learning (CSL) Mini-Grants

Drop-in Information Sessions:

January 18, 2012

12 - 12:30pm

Med 209L

January 23, 2012

12 - 12:30pm

Med 309L

Mini-Grant applications accepted through January 31, 2012

The Center for Medical Humanities & Ethics is accepting proposals from Health Science Center students who wish to develop mentored community service learning (CSL) projects. These are student learning experiences that combine community service with preparation and reflection. Specifically, we are interested in projects that document and address health disparities in San Antonio and South Texas communities.
